Calling all Coldplay fans !

Our names are Isabelle, Ingrid, Peg and Hubert, and we are hooked on [Coldplay](#), not only for their music, but also for their values they uphold (respect, solidarity and mutual aid)

This year, on the 14th January 2018, we created [Coldp'Love Solidarité](#) in Salon de Provence, south of France.

Just as [Coldplay](#) dedicated their time to charitable work, we wish to organise musical and solidarity events in order to raise funds for causes we, and [Coldplay](#), hold close to our hearts.

Our partners ? [ColdplayCorner](#), the number one French speaking fan site and the town of Salon de Provence.

We are very grateful for their help.

At [Coldp'Love Solidarité](#), we aim to unite music and solidarity to raise awareness among fans, and others, of the problems faced by the helpless and destitute to bring them, comfort and support through music and entertainment.

This year, as did Coldplay with ALIEN, we have chosen to support a group dedicated to helping refugees «[Welcome réfugiés salon de Provence](#)».

We are organising a charitable event which will take place on the 27th October 2018.

There will be tribute band [SO COLD](#) who will play music from [Coldplay](#)'s 5th album, after which there will be a showing of a liveconcert from our favorite band.

In order, to show solidarity to this great cause, and others, you will be able to make a donation to the organisation of your choice.

Those present will be CSAO, an association for Senegalese and West African artist, selling Jokko bracelets sold proceeds are given to l'empire des enfants à Dakar, who takes in street orphans. Oxfam, SOS Méditerranée and Love Button have also been invited.

All proceeds from the evening will go to «[Welcome réfugiés salon de Provence](#)»

We can't wait to see you there and let the music play !
